

September 15, 2020

Dear Members,

I know this has been a difficult time and we are all trying to adapt to the new normal. The New York City Association of Insurance Women would like to waive member dues until next year as our gratitude for your support of our organization. We will continue to host events virtually throughout the year and hope to see you soon.

Stay safe and healthy.

Best regards,

*Carmella Capitano*
